**Notice from TOMOE VALVE ASIA PACIFIC PTE LTD (Singapore) on Covid-19 (2)**

Dear Valuable Customers and Suppliers,

On 21 Apr 2020, Singapore government has announced an extension the COVID-19 Circuit Breaker period until 01 June 2020.

The government has also implemented significantly stricter safe distancing measures and tightened of essential services to minimise movement and interactions.

There will be more essential services are required to be closed. Our employees will continue to work from home during this period.

Thus, we will try our best to ensure that existing shipments can be delivered smoothly but we would like to seek your kind understanding that some shipments or delivery requests might be affected due to shortage of manpower for mounting, assembly or packing work etc.

For any emergency issues, please do not hesitate to contact us via the followings:

For sales related matter, please email to [sales@tomoe.com.sg](mailto:sales@tomoe.com.sg)

For Account & HR matter, please email to [accounthr@tomoe.com.sg](mailto:accounthr@tomoe.com.sg)

We sincerely apologize for the inconvenience that may have been caused and certainly look forward to your kind understanding and cooperation.

Thank you.
